

TRANSPERFECT

LEGAL SOLUTIONS

TransPerfect Legal Solutions (TLS) is the industry leader in multilingual legal support services. Since 1992, we have been providing a comprehensive suite of solutions that facilitates every aspect of our clients' legal matters. From forensics and e-discovery for litigation to virtual data rooms for M&A and bankruptcy cases, TLS is a one-stop-shop for the global legal industry. As a specialised division of TransPerfect, the world's largest privately owned language services provider, we are the only legal support services provider that also offers a full array of translation, interpretation, and other multilingual solutions.

Supported by offices in over 85 cities on 6 continents, we have established round-the-clock production capabilities that enable us to offer the fastest turnaround times in the industry—30% faster on average than our competitors. Our comprehensive list of services includes:

- Language Services
- E-Discovery Processing
- Digital Preservation & Forensics
- Data Hosting (“Best in Service” Relativity provider, as well as own VDR platform)
- Document Review
- Court Reporting
- Paper Discovery & Production
- Legal Staffing
- Pro Bono (we are also the only language services provider with a programme that allows firms to earn free services for their pro bono cases)

If you require a quote, or information on any of the services listed, please feel free to contact Tyler Mickelson (tmickelson@transperfect.com) on +44(0)207 061 2000 – or you can use the firm's dedicated address: idrc@transperfect.com
